## In your town

**SAN RAFAEL**

### **Whistlestop says it has new name**

Whistlestop, the non-profit serving seniors and people with disabilities, has changed its name to Vivalon.

The new name was announced as the nonprofit expands to include the chronically ill, the homeless and low-income families on Medi-Cal. The nonprofit will also begin offering its services in Sonoma, Solano and San Francisco counties.

The nonprofit's transportation service division will operate under the name Whistlestop Wheels by Vivalon.

The statement by the nonprofit says Vivalon "is an invented word conveying life, longevity, activity, vitality and connection."
