Vivalon's annual "Operation Thanksgiving" event provided meals to homebound adults enrolled in the Vivalon Nourish and Vivalon Meals on Wheels programs. One of the young volunteers, above, helps deliver the traditional Thanksgiving meals with all the trimmings prepared in-house by Marin-based Stacy Scott, owner of award-winning Stacy Scott Catering and culinary director at Vivalon's Jackson Café. This year's meal delivery is especially important as the COVID-19 pandemic is still heavily impacting those who suffer from isolation and chronic illness in Marin County – many of whom would not have a traditional Thanksgiving meal if it were not for Vivalon's staff, donors, and dedicated volunteers.
